M E L I S S A F O R T I

Eleonora Giulia Amalia Duse (3 October 1858 – 21 April 1924), often known simply as Duse, was an Italian actress, rated by many as the greatest of her time. Duse achieved a unique power of conviction and verity on the stage through intense absorption in the character, "eliminating the self" as she put it, and letting the qualities emerge from within, not imposed through artifice.

“If the sight of the blue skies
fills you with joy, if a blade
of grass springing up in the
fields has power to move you,
if the simple things of nature
have a message that you
understand, rejoice,
for your soul is alive”.
